**THE LEGISLATURE.**

**THIRTY-EIGHTH DAY.**

**WEDNESDAY, July 13, 1892.**  
Afternoon Session.

Assembly re-convened at 1:45  
and immediately thereon the Order  
of the Day was moved and the Ap-  
propriation Bill came up for con-  
sideration, House resolving into  
Committee of the Whole, Rep. Bush  
in the chair.

Rep. Kamaoia moved that a new  
item be inserted in the portion of the  
Bill under consideration (Depart-  
ment of Attorney-General) as fol-  
lows:

Salary of Deputy Marshal, \$4000.  
The Clerk read the recommenda-  
tions of the Committee on Ways and  
Means, i. e., "Deputy Attorney-  
General, \$6000; Deputy Marshal,  
\$3600.

The item was passed at \$3600.

Minister Whiting moved the inser-  
tion of a new item, viz., "Unpaid  
bills for support of prisoners from  
last period, \$7,146.21." Carried,  
and item then referred to the Finance  
Committee. Another item was also,  
by request of the Minister, inserted,  
viz., "Bills unpaid for Coroner's in-  
quests, \$170," and it was also referred  
to the Finance Committee.

Pay of Police, Hawaii, \$60,000.

The Committee on Ways and  
Means recommend that the item  
pass at \$51,720.

Rep. Ashford was in favor of plac-  
ing the Police Department on a good  
basis but did not believe that could  
be done under the present powers.  
He knew of a case, which tended to  
show the rotten manner in which  
business was conducted, in that  
distilling of liquor at Kohala and a  
detail consisting of one J. C. Long  
as chief, J. H. Stelling and one other  
had been sent to capture the outfit.  
Long was salaried at \$150 per  
month. There was nothing done be-  
cause the chief Long was never pre-  
pared to move although several op-  
portunities had been offered and all  
that this chief of the party did was  
to lie around the Kohala saloon, play  
poker and rounce and swill whiskey.  
He did not move hand or foot in the  
matter of the attempt to capture the  
distillers, but was in it with both  
hands and both feet in his own  
enjoyment.

Rep. Smith (interrupting) would  
like to know what this long story had  
to do with the item under discussion?

Rep. Ashford said that he could  
only repeat that, which he said the  
other day, if the member could not  
understand the application, if nature  
had not supplied him with the  
faculty, then he (the speaker) would  
not undertake the task. (Laughter.)

Rep. Ashford (continuing) said  
that this same detective received  
about \$350 per month altogether and  
the worst of the feature was that no  
arrests whatever were made. The  
returns of Long for expenses were,  
as he had been informed, very much  
cooked, items being raised, and in  
this connection he would call the at-  
tention of the Finance Committee to  
one in particular and that was where  
\$9 item for horse-feed had been  
raised to \$20 and paid at the latter  
figure. Another thing which he  
would mention and which he had  
heard and that was that the commis-  
sion of the Marshal was signed on  
the 10th of March, and given him  
before the Attorney-General's own  
commission was signed and it was a  
"sine qua non" for the latter gentle-  
man's receiving the position. If  
this was a slander against His Excel-  
lency it was high time that it was  
refuted.

Minister Whiting asked Rep. Ash-  
ford if he said, if he asserted and  
finally if he meant what he had said.

Rep. Ashford stated that he had  
said said sayings as he had said them.  
If it was a slander he would be most  
pleased to know it.

Minister Whiting—"It is a slander  
out and out! My commission was  
signed on the 25th of February and  
the Marshal's commission was not  
signed until March."

Rep. Ashford was glad to hear the  
denial, he accepted and believed the  
statements of the Minister. He had  
referred to the other matter as of  
late occurrence and just how far the  
Attorney-General is implicated in  
that mismanagement he did not know,  
but he did know that he was the  
superior officer of the Marshal and  
as such was blameable. He now  
moved that the Committee rise and  
recommend to the House that no  
further money be voted while the  
present Ministry remain in office.  
His particular reason for moving  
this was that there had been a direct  
vote of want of confidence presented  
this morning against the Ministry  
and also against the Marshal. By  
motion that matter had been side  
tracked for eight days. Every one  
recognizes that the Ministry is hold-  
ing on by mere sufferance; the reason  
may be because the slates were not  
ready or if they had been some mis-  
chievous boy has dropped in and  
broken them.

**NOTICE TO MARINERS.**

During the process of deepening the  
channel at the entrance to Honolulu  
harbor the Dredger will be in opera-  
tion night and day. At night there  
will be a danger signal placed on the  
forward derrick of Dredger about 30  
feet above sea level, which can be seen  
by all vessels approaching the harbor.  
The signal consists: Red Red  
of three red lights and a white light  
as in the diagram, the red lights being  
about 3 feet apart with the white light  
in the center. Red White

All steamers crossing the bar will  
stop at a safe distance from the Dred-  
ger and give one blast of their whistle  
which will be answered by a single  
blast from the Dredger, to be fol-  
lowed by three blasts from the Dred-  
ger when the passage is clear and they  
can proceed.

The Tug will be on hand when not  
otherwise engaged to assist sailing craft  
in passing the Dredger when neces-  
sary.
